

Family portal: How to reset parent passwords

Modified on: Tue, 19 Dec, 2023 at 8:46 AM

Parents will have the option to reset passwords once they have entered the username, the forgot password option will not show up until the username has been entered.

The image shows a screenshot of the Edsembli School Board login page. At the top, it says "Edsembli School Board" and the "edsembli" logo. Below the logo is a "User name*" input field containing "Lisa.Martin". A red box highlights this field. Below it is a "Password*" input field. A "SIGN IN" button is visible. At the bottom, there are links for "ABOUT" and "HELP?". A red box highlights the "FORGOT PASSWORD?" link, which is positioned below the "SIGN IN" button. A red arrow points from the "User name*" field down to the "FORGOT PASSWORD?" link, indicating that the link becomes visible after a username is entered.
